Article	Weight [kg]	Art. No.	Price [€]
Drum Ø 250 x 6.2 x 250 mm Height	1.50	600 30 250	

2 Belt tray for ratchets and belts

Size (width x depth x height)

535 x 150 x 150 mm

Material

HD-PE black

Execution

The belt tray is suitable for storing 3 belts, with a width of 35 mm and 3 ratchets. The optimum belt length is 6.0 m. The fixation is carried out using 2 x screw fittings on the airline aluminium rail. For easier mounting, the fastening holes are in an oblong-hole design.
