## Transportation tubes for tent poles

### Material

HD-PE black

### Execution

The lid with flange and the domed end piece are riveted to the tube and additionally welded. 2 security rotary bolts ensure secure closure (4 PA keys included).

In order to retrieve even short poles from the tube easily, the tube container has a retrieval disc on the strap.

### 1 Gripper clamp

2-piece, comprising a stainless steel 1.4301 elbow with plates (70 x 3 mm), black HD-PE base plate with tube contour and bores
