

VA hinges

Pluggable lid

Snap lock

Car trailers do not provide much space for storing tools and transport locks.

Fitting a storage box makes everything easily accessible. With 7 different sizes and different locking mechanisms, we have the right storage box for every trailer.

The simple and robust HD-PE design makes the storage boxes weatherproof and impact-resistant. They can even withstand extreme temperatures, chemicals, and UV rays.

Characteristics

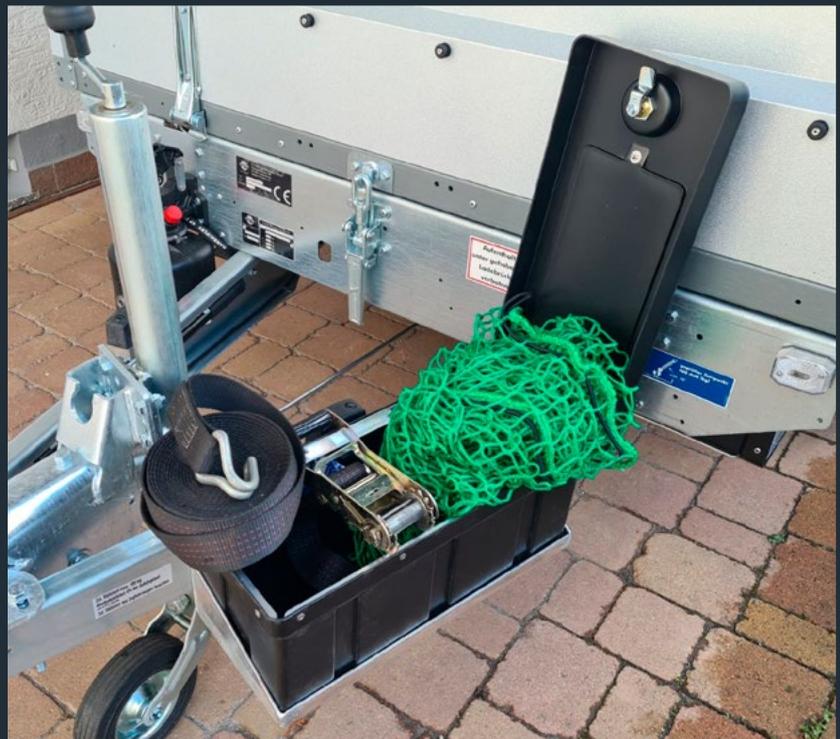

- Approved by the German technical inspection agency (TÜV)
- No coating required
- Can be mounted horizontally or vertically
- Waterproof
- Hinges and rivets made from corrosion-proof VA steel
- Mount available as accessory

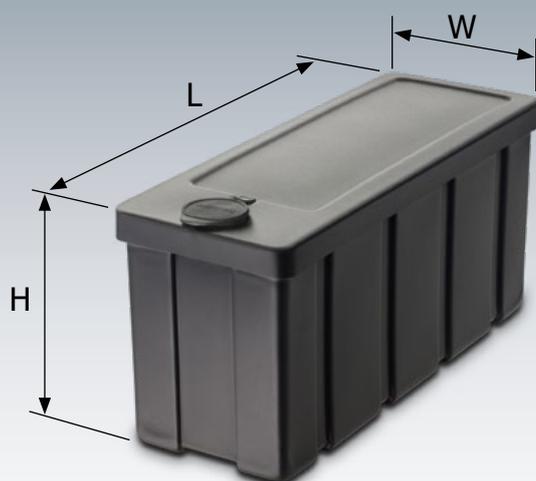

Designs

- Fixed cover with VA-hinges
- Cover can be removed with VA push-fit brackets (ideal for when the cover cannot be fully opened due to eyes or installation obstructing the way)

Mounts

For safely mounting a storage box on a trailer, universal mounts or clamping profiles are ideal. (p. 75)

Type R01 Storage box

Size (length x width x height)

650 x 245 x 310 mm

Material

HD-PE black

Execution

- Detachable lid with push-fit brackets or hinged lid
- Lock with security lock (standard: double bit) with 2 plastic keys, lock cover
- Assembly parts made from stainless steel and aluminium
- Other locking systems (p. 96)

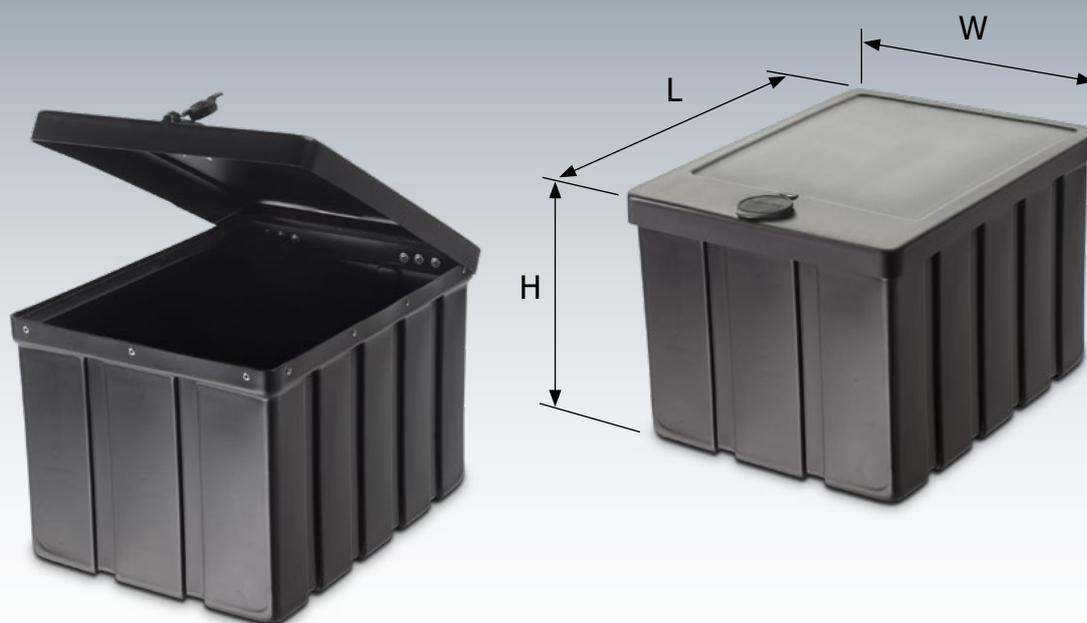

Article	Weight [kg]	Art. No.	Price [€]
With detachable lid	2.85	501 10 300	
With hinged lid	2.90	501 10 350	
With hinged lid and snap lock	2.90	501 60 050	

Accessories

Article	Weight [kg]	Art. No.	Price [€]
Inserts for small parts PS black	0.40	501 20 020	
Suitable restraint systems on p. 71			

1 Insert for small parts

2 Snap lock

Type R02 storage box

Size (length x width x height)

560 x 430 x 360 mm

Material

HD-PE black

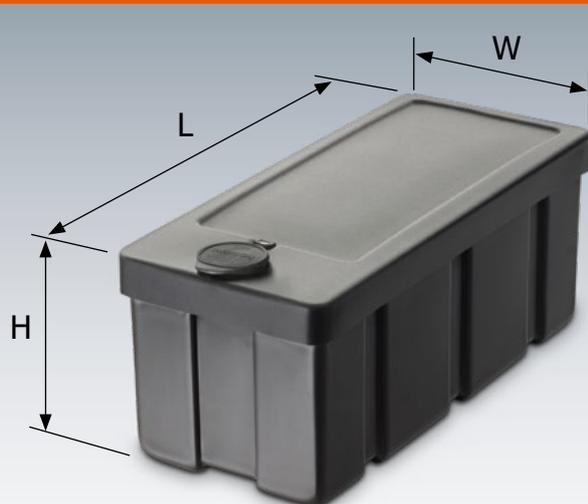

Execution

- Detachable lid with push-fit brackets or hinged lid
- Lock with security lock (standard: double bit) with 2 plastic keys, lock cover
- Assembly parts made from stainless steel and aluminium
- Other locking systems (p. 96)

Article	Weight [kg]	Art. No.	Price [€]

Restraint systems for ROWEKO storage boxes

Universal mount

Material: 3/5 mm steel, hot-dip galvanised

Scope of delivery

- 2 x U profile with fastening clip
- 2 x U profile (50 x 22 x 350 mm) with holes
- Set of screws for mounting

Instructions for mounting universal holder

Suitable for models: R01 / R02 / R03 / R04 / R05 / R06 / R07

Article	Weight [kg]	Art. No.	Price [€]
Universal mount	2.4	501 20 030	
Universal mount (only R02 / L = 530 mm)	3.1	502 20 030	

Clamping profile for V-drawbar

Material: HD-PE black

Scope of delivery

- 4 x clamping profile (40 x 40 x 50 mm)
- Set of screws for mounting

Instructions for mounting a V-drawbar

Suitable for models: R01 / R02 / R03 / R04 / R05 / R06 / R07

Article	Weight [kg]	Art. No.	Price [€]
Clamping profile for V-drawbar	0.50	501 20 930	

Bracket for suspended installation

Material: Aluminium blank

Scope of delivery

- 2 x L bracket
- Screw set for box installation

Instructions for mounting bracket

Suitable for models: R01 / R03 / R04 / R06 / R07

Article	Weight [kg]	Art. No.	Price [€]
Bracket for suspended installation (150 x 160 x 50 mm / t=4)	0.65	501 20 830	

Suitable for models: R01 / R02 / R03 / R04 / R05 / R06 / R07

Article	Weight [kg]	Art. No.	Price [€]
"Long" bracket for suspended installation (150 x 270 x 50 mm / t=4)	1.0	501 20 836
